To Mr. [REDACTED] -

You asked me to check the file and let you know what action had been taken regarding the DD/P Security Violation Reports. At the time, you gave me the attached Dec 63 Report.

We have in the file a report for each month during 1963.

Both [REDACTED] worked on reviews of the reports and, as a result, a memo for info of DD/P was prepared and submitted to him on 9 Oct 63 which summarized the review. A "CS Security Violation Chart - Sept 62 - Aug 63" was included as an attachment to the memo for DD/P.

Therefore, since the report to DD/P, we have received 4 additional reports:

Sept 63 - Reported 39 violations

Oct 63 - Reported 31 violations

Nov 63 - Reported 32 violations

Dec 63 (attached) - Reported 34 violations

Did you wish to include the increase in DD/P security violations as an item for the next Support Officers' Meeting?

P.

(Note: As of the Oct report, the current level of violations for the Clandestine Services was about 32 each month.)
